**Education?**

Graduate

**Music Education?**

Self Taught.

**Music Equipment?**

Tama Drums, Sabian Cymbals.

**Other Occupations?**

Banker

**Sources of inspiration?**

While creating music I just think off the tune we're working on at that moment, and fill in a beat accordingly. While creating music I'm not inspired by any one.

**What drew you guys towards music?**

I'm not sure about the others, but me well its always been part of my household since I was growing up, Greatly inspired to be a musician by IronMaiden.

**Tell us something about your upcoming album?**

Well its got songs of all types in it, and would not be liked by every one, some would like it right away, some would after listening to it a couple of time and some would just out right hate it.

**Music Recognition or achievements?**

Well difficult question, every one knows me as a drummer, I've been in the underground rock scene for quite some time, and now in Mizmaar, I guess I'm doing alright ;)

**Type of Music you like?**

Heavy Metal, Gothic, Progressive Rock.

**Type of Music you hate?**

I don't hate it but just don't understand it, {POP}

**What do you think about other Pakistani Artists?**

Some are good some are real bad and not true to the profession!

**How would you like to be remembered?**

AS a Loyal, honest and sincere person.

**Favorite musicians (Pakistani)?**

Russell (MIZMAAR, Bass) Irfan Charlie (Mizraab, drums)

**Favorite Song (Pakistani)?**

Ankhon ke sagar (Fuzon)

**Final Comments?**

I'd like to pat you guys on the back for work like this keep it up, and then generally to every one is "be very careful what you say to people and the promises you make, never say things you don't mean or can't keep up with. Be your self, do your own thing causing no harm to others, keep reminding your self to be patient"

**Name?**

Russel Owen.

**Date of Birth?**
